R&D | Manufacturer

WWW.FA1994.COM

Back in 1994, Fortuna Auto (FA) started the car parts trading business in the beginning R&D/Manufacturing department was later established in 1999 as MIRA, and then FA invited manufacturers as our partner like KDC, etc., to strengthen our manufacturing ability for car parts and accessories.

FA have 3 product features - Manufacture / Brand / Integration, making customers easier to purchase All Parts in One with limited warranty and service forever.

FA have 2 product divisions for professional and variety.

FA Mirror for all Auto Mirror products and solutions, and FA Select for all quality Auto Parts including door parts, body parts, spare parts and accessories made in Taiwan.
